Notifications by the Dewan to His Highness the Maharaja of Mysore.

GENERAL.

NOTIFICATIONS.

The 16th July 1884.

No. 79.—The following rules sanctioned tentatively in regard to the sale of the pasturage of unoccupied Government lands are published for general information :—

I. As a tentative measure, no hulbanni sales shall take place during the current year.

II. The average hulbanni realizations of each village during the years 1882-83 and 1883-84 shall be carefully calculated, and the grazing of all unoccupied Government lands of the village shall be offered for the amount thus ascertained to the inhabitants of the village for the current year.

III. If the villagers accept the grazing on these conditions, the amount to be paid by the whole village shall be apportioned by the various land-holders and other residents of the village among themselves, and a list showing the amount payable by each individual according to such apportionment shall be prepared and signed by all the villagers interested. The list shall also be signed by the Patel and Shanbhog. It must be distinctly understood that the apportionment of the total amount payable by the village among individual members thereof, is a matter of private agreement between themselves.

IV. The Amildar shall scrutinize such lists and question the villagers as to whether they are satisfied with the arrangements therein recorded. Each individual against whom an amount is entered *should be thus questioned.* If, upon such enquiry, the Amildar is satisfied that the arrangement is one to which all parties interested have given their assent, he shall certify this fact under his hand on the lists in question, which shall thereupon be recorded with the Shanbhog. The amount specified in these lists against any individual shall thereupon be entered as the demand against him in his Khâte and shall be recoverable from him as a revenue demand.

V. If the inhabitants of any village are unwilling to accept the grazing of the unoccupied Government lands of the village for the amount fixed therefor by para 2, or if they cannot agree among themselves as to the apportionment of this amount, or if, at the Amildar's enquiry, there arise disputes regarding such amount or its apportionment, then the right of grazing in the village concerned shall be sold on the spot as heretofore.

VI. In villages the grazing right of which may be given to the villagers by agreement as above, there shall be no restrictions whatever placed upon the grazing of unoccupied Government lands by the cattle of the village.

VII. Instead of disposing of the grazing of each village as above directed, the Amildar may, where found necessary, arrange the villages in convenient groups and dispose of the grazing of each such group separately. Such grouping should be made with strict regard to existing grazing arrangements, and as far as possible with the consent of the villages concerned.

The 25th July 1884.

No. 87.—Advocates and Pleaders of the 1st and 2nd grades, enrolled under the Rules of 18th February 1879, are hereby informed that Regulation No. III of 1884, (The Mysore Legal Practitioners' Regulation) will not affect their position, and that they are entitled to practise in the Courts for which they have been enrolled up to 31st December 1884. If they wish to continue to practise after the said date, they must obtain a certificate from the Chief Court under Section 11 of the said Regulation.

2. The rules to be framed under Section 10 of the Regulation will enable the Chief Court to grant such certificates to all persons enrolled under the Rules of 18th February 1879.
